Walk Length:	Various, total approx. 10 kms		Walk Duration:	Approx. 4 hours	
Meeting Place:	Sale Dan Murphy's or Traralgon McDonald's		Meeting Time:	8:00 am Sale 8:50 am Traralgon	
Walk Summary:	<p>This collection of short walks will require a longish drive west from Sale to get to the start point. We turn off the highway near Warragul and after a pleasant drive across lush rolling hills we'll pass through the sleepy village of Noojee before reaching the start of our walks to the Toorong and Amphitheatre Falls. The sign at the start of the Falls loop walk describes this area as one of the most beautiful and wettest parts of Victoria with mossy rocks, tree ferns and a lot of water! We will then drive a short distance to undertake the Noojee Trestle Bridge and optional Rail Trail walk, a pleasant 3 kilometre walk along the original railway route. For keen photographers the trestle bridge offers endless possibilities for spectacular and quirky shots with interesting structural details and perspectives. For lunch, we will head for the Noojee Hotel. After lunch, if time permits, we can visit the Glen Nayook Rainforest Walk near the town of Neerim Junction.</p> <p style="text-align: center;">Please register with Walk Leader before the day of the walk.</p>
